

PATH TO BLOCK COURTYARD

How could we improve our courtyard?

1.

TALK ABOUT THE COURTYARD IN YOUR BUILDING

- Invite neighbours to  a discussion on the courtyard
- Form a courtyard group
- Set up a group on social media for the building 

ADVANTAGES:

- ★ Getting to know each other will strengthen communal spirit
- ★ The courtyard can already be improved
- ★ No commitment to costs yet

2.

START COOPERATION WITH BLOCK NEIGHBOURS

- Invite people from neighbouring buildings
- Brainstorm shared experiments, such as bees or shared cultivation spaces
- Organise a survey of what people want from their courtyard
- Set up a group on social media for the block 

ADVANTAGES:

- ★ New relationships with residents of neighbouring buildings
- ★ Motivation for the restoration of the courtyard will increase
- ★ Experiences and joy of success in gardening

Hello courtyard neighbours, let's do something together!

Could we create a shared block courtyard?

3.

TIME FOR THE BLOCK COURTYARD

- Housing companies combine yard functions and commit to joint decisions
- Residents' wishes impact the objectives for the courtyard
- Professional help for design and implementation

ADVANTAGES:

- ★ A larger courtyard for everyone and versatile green spaces
- ★ After initial investment, savings will begin when monthly costs are reduced
- ★ The buildings will become more attractive
- ★ Urban nature will diversify
- ★ Health benefits will be strengthened
